## Two over one – a three class series

I will do 3 Tuesday morning lessons on Feb. 22, Mar. 1 and Mar. 8. The basic theme is the 2/1 system and related conventions and treatments. As in all of my classes we spend some time on defense and basic bridge principles. The classes consist of some lecture and discussion, bidding practice and play of prearranged hands. We have a good time, and my Mom will be down, so there will be a big upgrade in snacks.

Ideally, I would like everyone to attend all 3 classes, but I know this isn't possible for all of you, so each class will be independent although the 2/1 system is the overriding theme. The cost is \$20 per class, but if you sign up for all 3 the cost is only \$50.

There is a lot of preparation involved with copying, making boards, etc., therefore, it would be **very helpful if you registered in advance**. Of course, we will welcome you at the last minute. Everyone will have a partner for the play and bidding practice.

A detailed outline of class topics will be available no later than Feb. 8.

If you have questions, comments or whatever just ask me at the club or email me at [MrBridgeFL@AOL.com](mailto:MrBridgeFL@AOL.com).
