

Daytona Metropolitan Bridge Club

For The Player Who Wants to Improve

We had a successful **Fall Sectional Tournament** this past week although attendance was down some from past years. We want to thank in particular the tournament chairperson - Pat Heading, and the head of the meal brigade - Judy McCall and her team. Jeff Meckstroth (probably the best player in the world) played Friday, Saturday and Sunday. Also playing the first three days was Shannon Cappelletti, a national player who gave a talk prior to the Saturday morning game.

Complete Sectional Tournament results are on the Web site www.daytonabridge.org.

Following are selected results of our club members. We apologize for any results that may have been missed.

Thur Morn 299er Pairs Only Session September 6, 2007
