May 2007

This time of year is sad because many of our friends have gone north or will go north soon. If your favorite partner goes north and you are left without a partner, call us. We will be happy to help you find someone else to play bridge with. Talk to any director or leave a message at the bridge club. Call us a day ahead to play.

Please note the team game on May 22. These have been very popular with everyone. If you need the other half of a team or just a partner, please let Pat Heading know.

Upcoming Events

- May 21 (Monday afternoon) Board meeting
- May 22 (Tuesday afternoon) One session Team Game, Club Championship Game – Advance signup with a team of four
- May 31 (Thursday afternoon) Club Championship
- June 2 (Saturday afternoon) Club Championship

- June 11-16 STAC Week – An opportunity to get Silver Points!

June 20 (Wednesday Afternoon) One session Team Game – Advance signup with a team of four

June 22 (Friday Evening) Swiss Club Championship

STAC WEEK

The week of June 11th will feature STAC games in all of our afternoon games. Tuesday and Wednesday morning games will also have STAC games.

STAC stands for Sectional Tournament At Clubs. This means that all points awarded will be silver points. When you go to a tournament, there may be many sections in an event. In this case, our club will be one of many clubs all over Unit 128 each having one section. The games from all over Unit 128 are then compared and overall points are awarded. Thus, you have the opportunity to not only win in our club, but also to win an overall award which will come from the unit. This is a great opportunity to get lots of silver master points without going out of town.

Player News:

Congratulations to Lynn Brown of Palm Coast who has reached the Silver Life Master level.

Players of the Decade

www.acbl.org

These are the Top 500 winners of Platinum Points since 2000. Platinum points are awarded for NABC+ events (which are national-rated events with no upper masterpoint limit) and include the national-rated senior and women's events.

Among those listed on the site are some familiar names: Spike Lay, Candace Griffey, and Larry Griffey. Congratulations to all of them.
