Club Manager/Head Director

Happy Holidays! Wishing you and your loved ones the peace of this holiday season. It is with sadness that I announce the sudden retirement of June Byrne our Club Manager. As many of you have been aware June has been dealing with a number of health concerns this last year. June continues to face ongoing health related challenges and because of her need to focus on herself, she has decided that it is in her best interest and that of the club to step down. June continues to assist us during this time of transition. She will be sorely missed and we join you in your prayers and thoughts in wishing her health and comfort.

Anyone who is interested in applying for the Club Managers position please contact me or another member of the Board.
